## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fq/aa/lc/](http://www.cde.ca.gov/fq/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

### Mission Statement:

"Encourage Thinking. Value Creativity. Celebrate Diversity. Develop Character."

### Targeted Academic Programs

Magnolia offers Advanced Placement courses in English Language and Composition, English Literature, European History, U.S. History, U.S. Government, Psychology, Calculus, Biology (in alternating years), Chemistry (in alternating years), Physics, Environmental Science, Spanish Language, Spanish Literature, Music Theory and Studio Art.

Magnolia High has a strong PUENTE program. PUENTE is a partnership between our school and the University of California that is designed to improve the college-going success of under-served youth. Our school also implements an Advancement Via Individual Determination (AVID) program engaging students for 4 years to help increase student access to institutes of higher learning with a focus on writing, inquiry, collaboration, organization and reading skills. The GEAR UP program, through Cal State Fullerton, has partnered with Magnolia to provide support for the Class of 2024. GEAR UP actively engages students, parents, teachers, faculty, and administrators to infuse a college-going culture on junior high and high school campuses. GEAR UP is designed to increase the number of students progressing onto higher education, and to equip them to be successful in the baccalaureate and beyond.

### 21st Century Focused College and Career Preparation

Magnolia High School offers courses that meet University of California A-G requirements, as well as honors courses and Advanced Placement (AP) courses in English, Mathematics, Science, Social Studies, Spanish, and Studio Art. Fifty-five percent of Magnolia High School students are enrolled in Visual and Performing Arts classes and/or interscholastic sports. Magnolia has begun a four-year partnership with Cal State Fullerton's GEARUP program, which will focus on the Class of 2024 throughout their four years of high school, and will provide targeted services to those students such as mentoring, tutoring, virtual and in-person field trips, special programs and workshops, and more.

Magnolia's Cybersecurity Institute offers Southern California's first Cybersecurity Career Pathway. We partner with Cypress College and the University of California, Irvine. Students have the opportunity to start the pathway at the Junior High School level, continue to Magnolia High School and then go on to Cypress College to complete industry certifications or go directly to a

4-year university. Students have opportunities to earn industry certifications throughout the Cybersecurity pathway. This exclusive Cybersecurity Pathway where students receive ongoing industry exposure, earn industry certifications and earn dual enrollment college credits. Cybersecurity students completing our CS32 Program will graduate from Magnolia High School with credits toward their AA degree and have the opportunity to earn a Bachelor of Science in Computer Science in three years and guaranteed acceptance into UCI, Cal State Fullerton, and Cal Poly Pomona.

Another exclusive program at Magnolia High School is our Vietnamese Dual Immersion Program. Magnolia High School is the first high school in the nation to offer the Vietnamese Dual Language Immersion Program at the secondary level. It is an academic language program combining with a CTE pathway, Software and Systems Development, which is in partnership with Amazon through the Amazon Future Engineer Program. Our Vietnamese Dual Language Immersion Program equips students with 21st century world language skills as well as technical skills. This is a CSBA Golden Bell Award Winning Program.

The following Career Technical Education (CTE) pathways: Cybersecurity, Software and Systems Development, Construction Careers, Health Careers, Digital Photo & Media Arts, Criminal Justice Careers, Protective Services, and Teaching Careers. Magnolia High School has a very active Junior Reserve Officers' Training Corps (JROTC) program, which has been recognized every year for its excellence. Magnolia High School partners with the local elementary school to allow students in the child development field a chance to work with elementary age students as teacher assistants to learn firsthand about classroom teaching. Magnolia High School offers the following support programs to help close the achievement gap: English language arts (ELA) support classes, monthly Parent Education events, and after-school tutoring services with peer tutors through Anaheim Achieves, a YMCA community partner. At Magnolia High School, our freshman English and Biology classes collaborate to offer all students Civic Engagement opportunities. The students complete a human impact project, which includes addressing a concern in the community or at school. The students research and come up with an action plan to address the concern. The culminating activity is a soap box speech and an essay around their topic. Students then have the opportunity to earn the seal of Civic Engagement on their diploma upon graduation.

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

## School Facility Conditions and Planned Improvements

Magnolia High School opened in 1961. The 43.7 acre campus includes 60 regular classrooms and a number of portable classrooms. There are 24 labs, which are designed for specific programs (i.e. computer labs, science labs, choral music room, etc.). The site also includes a media center, a gym and pool facility, and a variety of sports fields.

**Maintenance and Repair:** Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

**Cleaning Process and Schedule:** The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

In August 2009, the front parking lot was completely renovated. The project resulted in more than twice the number of parking spaces in addition to improving the aesthetic appeal of the front of the school.

The most recent site inspection was completed on October 29, 2021. Magnolia high school is receiving 58 Million dollars in construction starting with the complete redesign of our main quad and speed line/cafeteria area that is complete with an outdoor stage and covered eating areas and increased seating capacity. Our tennis courts have been completely redone, our pool will be refurbished and our locker rooms ( shower lockers) and wrestling room will be completely redone. Starting in June of 2022, we will break ground on our new Cybersecurity building that will house main office, registrar, health office, attendance office and 8 state of the art classrooms. We are also scheduled to have a new theatre that will be built after the Cybersecurity building is complete.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## 2020-21 Career Technical Education Programs

Magnolia High School has five career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2017-18 school year courses were offered in the following career industry sectors: Arts, Media & Entertainment; Building & Construction Trades; Education, Child Development, and Family Services; Health Science & Medical Technology.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on First Best Instruction. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

## 2020-21 Career Technical Education (CTE) Participation

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Magnolia High School is proud to offer a family-friendly environment for our students and their families. All parent and family engagement opportunities are listed on our school's website, school marquee and school calendar. Activities and events are advertised to families through recorded telephone messages, emails and flyers. Parent events include PTA meetings, Coffee with the Principal, Cookies with Counselors, Parent Leadership Academy and Positive Discipline parenting classes. Additionally, we host Aeries Fiestas, Parent Learning Walks, Parent Saturday Academy, Cash for College Nights, and various Parent Nights. Parents are also invited to participate in School Site Council, English Learners Advisory Committee, AVID, Puente Advisory meetings and Cybersecurity Parent Leadership meetings. All family events and activities are offered in English and Spanish, and translation in other languages such as Vietnamese and Arabic is available as well. We also host movie nights that parents can attend with students and younger siblings and we have invited parents to tour our campus for learning walks in the classrooms and to be involved with our newest program MACC ( Magnolia Agriscience Community Center) Which is a project that will build upon 2.5 acres of land that will create a community garden site that nourishes students and community members by creating job training skills experiences and education on sustainable food practices and ecological issues.

At the beginning of the year, all families are invited to attend our annual Back to School Night and at the end of the school year, and our Open House in the spring. We also host various award nights such as English Language Development Awards, Sports Awards Nights, and Senior Awards Night and we host an Honors Breakfast celebration for students and their families. We also have special Cybersecurity Awards Ceremonies and we honor parents for completing the parent leadership academy training and for volunteering and supporting our school.

Our Parent Center is open daily during the regular school year until 4:00pm and is staffed by our Family and Community Engagement Specialist (FACES) and this year we also have a part time Community Liaison as additional support for our parents. All families are welcome to come to the Parent Center to use the computers or to obtain academic and community resources.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

## 2021-22 School Safety Plan

The goal of the Magnolia High School/Anaheim Union High School District's Disaster/Safety Preparedness Plan is to prepare employees, students, parents and stakeholders to respond properly in emergency situations. This plan will provide a foundation for uniform planning throughout the school-site in order to minimize injury and loss of life. The safety and protection of students, employees, and facilities is of primary importance.

Our School Safety Plan is reviewed, discussed, and updated on an annual basis. Input is gathered from staff (through once a month Safety Team meetings), students, and community resource groups (Anaheim Police Department and Anaheim Fire Department) along with the School Site Council in order to determine any needed changes. Our present School Safety Action Plan was presented by Assistant Principal Jana Kovar on March 1 of 2021, and approved by our School Site Council. We are currently revising our existing plan and will be sharing all changes in an upcoming school-site meeting in February of 2022.

We completed a lockdown drill on October 7, 2021 and again on December 6th where reviewed all lockdown procedures with staff and students. We ordered and distributed additional classroom posters with lockdown procedures and protocols and made sure that all newly hired staff were properly trained in emergency procedures. We completed the Great Shake Out Earthquake Disaster Drill on October 17, 2021. We will have an additional lock down drill and another disaster drill scheduled for the spring of 2022.

Additional safety measures include lock blocks on all doors, installation of perimeter fencing due to recent construction Magnolia has received, and additional lighting of pathways and parking lots. All people checking in to the campus are receiving the COVID-19 daily health assessment. They are also required to wear masks on campus when around other people and must maintain social distancing. Additional hand sanitizing stations have been placed around campus as well water bottle re-filling stations. The drinking fountains are shut down. Office staff have plexiglass shields in cases where people must come to see them.

## 2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## 2020-21 Types of Services Funded

Magnolia High School receives Title I and LCFF funding. The funds are used to supplement instructional programs, with particular emphasis in English Language Arts, Literacy, English Language Development, and Mathematics. The School Site Council, through the development of the School Plan for Student Achievement (SPSA), approves all expenditures associated with Title I and LCFF. Qualifying Magnolia High School students also participate in the Multi-tiered System of Support program (MTSS) which provides academic support services for struggling students. The 5Cs Coach works with all teachers to provide support in First Best Instruction and the 5Cs across all disciplines. Additionally, Perkins funding supports several Career Technical Education (CTE) pathway programs. Title IV supports VAPA, STEAM, and Physical Education programs, and TUPE supports Tobacco Use Prevention Education.

## 2019-20 Teacher and Administrative Salaries

## Professional Development

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Magnolia High School has weekly professional development opportunities on Thursday late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences and our technology team has assisted all staff with eKadence training throughout the year.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
