School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Mission Statement:

"Encourage Thinking. Value Creativity. Celebrate Diversity. Develop Character."

Targeted Academic Programs

Magnolia offers Advanced Placement courses in English Language and Composition, English Literature, European History, U.S. History, U.S. Government, Psychology, Calculus, Biology (in alternating years), Chemistry (in alternating years), Physics, Environmental Science, Spanish Language, Spanish Literature, Music Theory and Studio Art.

Magnolia High has a strong PUENTE program. PUENTE is a partnership between our school and the University of California that is designed to improve the college-going success of under-served youth. Our school also implements an Advancement Via Individual Determination (AVID) program engaging students for 4 years to help increase student access to institutes of higher learning with a focus on writing, inquiry, collaboration, organization and reading skills.

21st Century Focused College and Career Preparation

Magnolia High School offers courses that meet University of California A-G requirements, as well as honors courses and Advanced Placement (AP) courses in English, Mathematics, Science, Social Studies, Spanish, and Studio Art. Fifty-five percent of Magnolia High School students are enrolled in Visual and Performing Arts classes and/or interscholastic sports. Magnolia has begun a four-year partnership with Cal State Fullerton's GEARUP program, which will focus on the Class of 2024 throughout their four years of high school, and will provide targeted services to those students such as mentoring, tutoring, virtual and if possible in-person field trips, special programs and workshops, and more.

Magnolia’s Cybersecurity Institute offers Southern California’s first Cybersecurity Career Pathway. We partner with Cypress College and the University of California, Irvine. Students have the opportunity to start the pathway at the Junior High School level, continue to Magnolia High School and on to Cypress College. Students have opportunities to earn industry certifications throughout the Cybersecurity pathway. This exclusive Cybersecurity Pathway where students receive ongoing industry exposure, earn industry certifications and earn dual enrollment college credits. Cybersecurity students completing our CS32 Program will graduate from Magnolia High School with credits toward their AA degree and have the opportunity to earn a Bachelor of Science in Computer Science in three years and guaranteed acceptance into UCI, Cal State Fullerton, and Cal Poly Pomona.

Another exclusive program at Magnolia High School is our Vietnamese Dual Immersion Program. Magnolia High School is the first high school in the nation to offer the Vietnamese Dual Language Immersion Program at the secondary level. It is an academic language program combining with a CTE pathway, Software and Systems Development, which is in partnership with Amazon through the Amazon Future Engineer Program. Our Vietnamese Dual Language Immersion Program equips students with 21st century world language skills as well as technical skills. This is a CSBA Golden Bell Award Winning Program.

The following Career Technical Education (CTE) pathways: Cybersecurity, Software and Systems Development, Construction Careers, Health Careers, Digital Photo & Media Arts, Criminal Justice Careers, Protective Services, and Teaching Careers. Magnolia High School has a very active Junior Reserve Officers' Training Corps (JROTC) program, which has been recognized every year for its excellence. Magnolia High School partners with the local elementary school to allow students in the child development field a chance to work with elementary age students as teacher assistants to learn firsthand about classroom teaching. Magnolia High School offers the following support programs to help close the achievement gap: English language arts (ELA) support classes, monthly Parent Education events, and after-school tutoring services with peer tutors through Anaheim Achieves, a YMCA community partner. At Magnolia High School, our freshman English and Biology class collaborate to offer students a Civic Engagement opportunity. The students complete a human impact project, which includes addressing a concern in the community or at school. The students research and come up with an action plan to address the concern. The culminating activity is a soap box speech and an essay around their topic.

Due to the COVID-19 pandemic and distance learning, Magnolia's faculty and staff are working hard to ensure that our academic programs, pathways and special programs are adapted to virtual or online delivery.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2019.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	English language arts textbooks, Houghton Mifflin Harcourt-Collections, were adopted in 2014-15. There is one textbook available per student.	Yes	0
Mathematics	Mathematics textbooks, by Carnegie Learning, were adopted in 2018-19. Course appropriate, standards-aligned instructional materials have been selected for each mathematics course. There is one textbook available per student.	Yes	0
Science	Science textbooks, Pearson-Essentials of Anatomy and Physiology, and Pearson-Biology were adopted in 2006-07. Science textbooks that support Advanced Placement courses are adopted as needed, the most recent adoption occurring in 2018-19, Pearson-Campbell Biology in Focus, AP Edition. There is one textbook available per student.	Yes	0

School Facility Conditions and Planned Improvements

Magnolia High School opened in 1961. The 43.7 acre campus includes 60 regular classrooms and a number of portable classrooms. There are 24 labs, which are designed for specific programs (i.e. computer labs, science labs, choral music room, etc.). The site also includes a media center, a gym and pool facility, and a variety of sports fields.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

In August 2009, the front parking lot was completely renovated. The project resulted in more than twice the number of parking spaces in addition to improving the aesthetic appeal of the front of the school.

The most recent site inspection was completed on October 30, 2020.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: October 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	13	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Magnolia High School has five career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2017-18 school year courses were offered in the following career industry sectors: Arts, Media & Entertainment; Building & Construction Trades; Education, Child Development, and Family Services; Health Science & Medical Technology.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on First Best Instruction. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Magnolia High School is proud to offer a family-friendly environment for our students and their families. All parent and family engagement opportunities are listed on our school's website, school marquee and school calendar. Activities and events are advertised to families through recorded telephone messages, emails and flyers. Parent events include PTA meetings, Coffee with the Principal, Cookies with Counselors, Parent Leadership Academy and Positive Discipline parenting classes. Additionally, we host Aeries Fiestas, Parent Learning Walks, Parent Saturday Academy, Cash for College Nights, and various Parent Nights. Parents are also invited to participate in School Site Council, English Learners Advisory Committee, AVID and Puente Advisory meetings. All family events and activities are offered in English and Spanish, and translation in other languages such as Vietnamese and Arabic is available as well.

At the beginning of the year, all families are invited to attend our annual Back to School Night and at the end of the school year, we invite them to our Open House. We also host various award nights such as English Language Development Awards, Sports Awards Nights, and Senior Awards Night.

Our Parent Center is open daily during the regular school year until 4:00pm and is staffed by our Family and Community Engagement Specialist (FACES). All families are welcome to come to the Parent Center to use the computers or to obtain academic or community resources. During COVID-19 school closures and distance learning, from March 2020 to spring 2021, Magnolia admin and staff have worked extremely hard to transition family and parent engagement opportunities to an online format. Back to School Night was held over Google Meet, and all other parent meetings have been held on Google Meet or Zoom. The FACES is available via Email or phone to all parents each day, and continues to host events and meetings as needed.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Graduation Rate	84.1	87.9	87.8	86.2	85.5	87.8	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	5.6	4.1	4.8	3.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.7	1.83	
Expulsions	0	.003	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The goal of the Magnolia High School/Anaheim Union High School District's Disaster/Safety Preparedness Plan is to prepare employees, students, parents and stakeholders to respond properly in emergency situations. This plan will hopefully provide a foundation for uniform planning throughout the school-site in order to minimize injury and loss of life. The safety and protection of students, employees, and facilities is of primary importance.

Our present School Safety Action Plan was presented by Assistant Principal Olea on March 1st, 2020, and approved by our School Site Council. We will be revising our current plan and proposing all changes in an upcoming school-site meeting in February of 2021.

Component 1 Goal #1 Maintain a safe and secure learning environment.

Objective: By March 2021 continue to work on reducing chronic absenteeism rates as well as tardies to period 1 and Advisement (WELD).

16.7% chronic absenteeism (all day/by period/both) – try to reduce

- 1) Modified Start on Time Program is ongoing
- 2) Extra-Curricular Restrictions for students with Five or More Truancies
- 3) Saturday Academy for Students who exhibit Chronic Truancies both Period and or All Day. (Five or More)
- 4) Administration and/or Teacher Meetings with Students, Phone Calls to Parents and Parent Conferences.
- 5) Home Attendance Visits
- 6) SART Meetings
- 7) SARB Meetings

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Magnolia High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
